General Information for Filing your 2006 Louisiana Resident Individual Income Tax Return

Important: If provided, taxpayers should file the pre-printed tax form imprinted with their name(s) and address.

Please print in black ink only.

Free internet filing and E-payment services are available for most Louisiana taxpayers at www.revenue.louisiana.gov.

WHO MUST FILE A RETURN

1. If you are a Louisiana resident who is required to file a federal individual income tax return, you must file a Louisiana income tax return reporting all income earned in 2006.
2. You must file a return to obtain a refund or credit if you overpaid your tax through: (A) withholding, (B) declaration of estimated tax, (C) credit carried forward, (D) composite partnership payments made on your behalf, or (E) claiming a 2006 refundable child care credit.
3. If you are **not required to file a federal return** but had Louisiana income tax withheld in 2006, **you must file a return to claim a refund of the amount withheld. Please refer to the IRS requirements for filing in order to determine if you must file a federal return. For additional information, see instructions for Line 12, page 11.**
4. If you are military personnel whose home of record is Louisiana, and you meet the filing requirements of 1 or 2 above, you must file a return and report all of your income, regardless of where you were stationed. If you are single, you should file a resident return (Form IT-540), reporting all of your income to Louisiana.

If you are married and both you and your spouse are residents of the State of Louisiana, you should file a resident return (Form IT-540), reporting all of your income to Louisiana. If you are married and one of you is not a resident of Louisiana, you have the option of filing as a resident (Form IT-540), or filing as a nonresident (Form IT-540B). You may choose the option that is more beneficial to you and your spouse.

If you paid an income tax liability to another state on nonmilitary income, and/or income earned by your spouse, and you are a resident taxpayer, you are allowed a credit for this liability if that income is included on the Louisiana return. Any military personnel whose domicile is NOT in Louisiana must report any nonmilitary Louisiana sourced income on Form IT-540B.

Louisiana residents that are members of the armed services and were stationed out-of-state for 120 or more consecutive days may be entitled to an exemption of up to \$29,999 of military income. Please see the instructions for Schedule E, page 14, Line 4J.

5. Nonresident professional athletes should use Form IT-540B-NRA.
6. A temporary absence from the State of Louisiana does not automatically change your domicile for income tax purposes. You must confirm your intention to change your domicile to another state by actions you have taken to establish a new domicile outside of Louisiana, and by actions you have taken to abandon the Louisiana domicile and its privileges. Examples of such actions taken include: registering to vote, registering and titling vehicles, obtaining a driver's license, changing children's school of attendance, obtaining a homestead exemption, or any other actions that show intent to establish a new domicile outside of Louisiana. **These are intended as examples and do not necessarily indicate a change in residency.** You are considered to be a Louisiana resident if you continue to maintain a residence in Louisiana while working in another state. Use Nonrefundable Tax Credits, Schedule G, Line 1, to report taxes paid to the other state(s).
7. Surviving Spouses, Executors, Administrators, or Legal Representatives—A final return for a decedent must be filed, if both of the following are true: (1) you are the surviving spouse, executor, administrator, or legal representative; and (2) the decedent met the filing requirements at the date of death. If both conditions are applicable, (A) mark the decedent box on the face of the return **for the appropriate taxpayer**, (B) attach a copy of the death certificate, and (C) complete and attach Form R-6642 (Statement of Claimant to Refund Due on Behalf of Deceased Taxpayer) only if a refund is due to the decedent's estate, survivor, etc. Form R-6642 is available on the Department's website at www.revenue.louisiana.gov.

FORMS

Forms and instructions may be obtained from any office of the Department of Revenue and on the Department's website at www.revenue.louisiana.gov. The statewide locations are listed on the back cover of this booklet.

AMENDED RETURNS

If you file your income tax return and later become aware of any changes you must make to income, deductions, exemptions, or credits, you must do the following: (1) file an amended (corrected) Louisiana return for the tax year being amended; (2) include an explanation of the change(s); (3) include a copy of the federal amended return, Federal Form 1040X, if one was filed; and (4) clearly mark an "X" in the "Amended Return" box on the face of Form IT-540.

NOTE: Do not make any adjustments for refunds received or for payments made with the original return. This information is already on file.

FEDERAL TAX ADJUSTMENTS

Louisiana Revised Statute 47:103(C) requires taxpayers whose federal returns are adjusted to furnish a statement disclosing the nature and amounts of such adjustments within 60 days after the adjustments have been made and accepted. This statement should accompany your amended state return.

WHEN TO FILE

1. A 2006 calendar year return is due **on or before May 15, 2007.**
2. Returns for fiscal years are due on or before the 15th day of the fifth month, after the close of the taxable year.

WHERE TO FILE AND PAY TAX

For all returns: print your name(s) and Social Security Number(s) on any correspondence. **NOTE:** On a joint return, print the Social Security Numbers on Form IT-540 in the same order that you listed them on your federal return.

Returns for which a **payment** is due should be mailed to P. O. Box 3550, Baton Rouge, LA 70821-3550. **Print your Social Security Number(s) on your check or money order. Please do not send cash. An electronic payment option is available on the Department's website at www.revenue.louisiana.gov.**

You can also pay your taxes by credit card over the internet or by telephone. Visit www.officialpayments.com or call 1-888-2PAY-TAX.

All other returns should be mailed to P. O. Box 3440, Baton Rouge, LA 70821-3440.

EXTENSION OF TIME FOR FILING A RETURN

Louisiana recognizes an extension granted by the Internal Revenue Service. Attach a copy of Federal Form 4868 or a copy of your acknowledgement from the Internal Revenue Service which contains your confirmation number that your Federal extension has been approved.

Use Form R-2868 to request an extension beyond the date required for filing your federal return. You must submit Form R-2868 by October 15, 2007, if you have an approved federal extension, or by May 15, 2007, if you have not filed a federal extension. The form is included in this booklet on page 31 and is available on the Department's website at www.revenue.louisiana.gov.

An extension lengthens only the time to file the return. An extension does not extend the time to pay any tax that may be due. Please place the extension as the first page of your return.

INSTALLMENT REQUEST

If you are unable to pay the balance in full by the due date, you must submit an installment request, Form R-19026, which is available on the Department's website at www.revenue.louisiana.gov.

INTEREST AND PENALTIES

See Interest and Penalty Calculation Worksheets, page 22.

KEEP YOUR RECORDS

You should keep copies of federal and state returns and W-2 statements for four years. In most cases, you should not submit a copy of your federal return. If you have completed all or part of Schedule H due to claiming a federal casualty loss deduction or claiming federal disaster relief credits, submit the specified forms as indicated in the instructions for the Federal Income Tax Deduction Computation Worksheet.

CONSUMER EXCISE TAX RETURN

Louisiana imposes an excise tax on tobacco products and alcoholic beverages. If you have purchased any of these products via the internet or through the mail, you are required to pay the excise tax on those products. A Consumer Excise Tax Return is included in this booklet in order for you to report and pay the tax due on these products.

Instructions for Preparing your 2006 Louisiana Resident Income Tax Return Form (IT-540)

ABOUT THIS FORM

The return has been designed for electronic scanning, which permits faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should follow the guidelines listed below:

1. If it is provided, use the pre-addressed copy of the return imprinted with the taxpayer's name(s) and address.
2. Print amounts only on those lines that are applicable.
3. Use only a pen with black ink.
4. Because this form is read by a machine, please print your numbers **inside the boxes** like this:

0	1	2	3	4	5	6	7	8	9	X
---	---	---	---	---	---	---	---	---	---	---

5. All numbers should be rounded to the nearest dollar.
6. Numbers should **NOT** be printed over the pre-printed zeros, in the boxes on the far right, which are used to designate cents (.00).
7. To avoid any delay in processing, use this form for **2006** only.
8. If you are filing an amended return, mark an "X" in the "Amended Return" box on the face of the return.
9. If you are filing with an approved extension, mark an "X" in the "extension attached" box on the face of the return. Please place the extension as page 1 of your return.

Name(s), address, and Social Security Number(s) – If you received a pre-addressed return, print your Social Security Number(s) in the space provided. Using the pre-addressed return helps identify your account, saves processing time, and speeds refunds. If you did not receive a booklet that was pre-addressed, print your name(s), address, and Social Security Number(s) on your return. **If there is a change in your name or address since last year's return (for example, new spouse), please mark the "Name Change" box and/or "Address Change" box on the face of the return.** If married, please print Social Security Numbers for both you and your spouse.

On a joint return, print the Social Security Numbers in the same order that you show your first names. Your names and Social Security Numbers must be listed in the same order that you listed them on your federal return.

Lines 1-5 – Filing status – You must use the same filing status on your Louisiana return as you did on your federal return. In the box on the left, print the number corresponding to your filing status: "1" for Single, "2" for Married Filing Jointly, "3" for Married Filing Separately, "4" for Head of Household, and "5" for Qualifying Widow(er). Head of Household status is for unmarried people who paid over half the cost of keeping up a home for a qualifying person. If you file as Head of Household, you must show the name of the qualifying person in the space provided, if the person is not a dependent.

Line 6 – Exemptions – Mark an "X" in the appropriate box(es). You must use the same number of exemptions on your Louisiana return as you did on your federal return, unless: (A) you are listed as a dependent on someone else's return, (B) you are age 65 or over, or (C) you are blind. You must claim an exemption for yourself on Line 6A, even if someone else claimed you on his or her federal tax return. This box has already been marked with an "X" for you. In the box on Line 6D, print the total number of exemptions claimed. The names of all dependents must be shown in the space provided.

If you are not required to file a federal return, but had Louisiana income tax withheld in 2006, do the following: (A) complete Lines 1 through 6D, (B) you must enter all wages and income, even though you may not be required to file a federal return, in the appropriate boxes above Line 7, and (C) mark the indicator block to the right. **IMPORTANT!** You must enter all wages and income in the boxes above Line 7. Failure to do so will result in processing delays. Then, (D) skip to Line 12, and print zero "0," and complete the remainder of the return.

Line 7 – Print the amount of your federal adjusted gross income. This amount is taken from: (A) Federal Form 1040EZ, Line 4, or (B) from Federal Form 1040A, Line 21, or (C) from Federal Form 1040, Line 37. If your federal adjusted gross income is less than zero, print "0."

The following residents should use Schedule E to determine their Louisiana adjusted gross income: (1) residents with exempt income, such

as interest on U.S. government obligations and public employee retirement systems, (2) residents with recapture of START contributions, (3) residents with interest income from obligations of other states and their political subdivisions, (4) residents 65 years of age or over, with annual retirement income taxable to Louisiana, and (5) residents who are active duty military and have served 120 or more consecutive days out-of-state during the calendar year.

In order to complete Schedule E, you may need to first compute your modified federal income tax deduction for Louisiana purposes if you are claiming a casualty loss and/or federal disaster relief credits on your 2006 federal return. Mark the box on the face of Form IT-540 if the amount from Schedule E, Line 5C is used.

Nonresidents and part-year residents must use Form IT-540B to file their Louisiana return. Nonresident professional athletes must use Form IT-540B-NRA.

Line 8 – If you **HAVE** claimed federal disaster relief credits as a result of Hurricanes Katrina or Rita, and/or claimed a federal casualty loss deduction on your 2006 federal income tax return, you must use the Federal Income Tax Computation Worksheet on page 18 in order to determine your federal income tax deduction for Louisiana.

If you **HAVE NOT** claimed federal disaster relief credits as a result of Hurricanes Katrina or Rita, nor have you taken a casualty loss deduction on your 2006 federal return, print your federal income tax liability on Line 8. This amount is taken from your federal return. Below are the federal returns and line numbers that indicate your federal income tax liability.

- Federal Form **1040EZ** filers: This amount is on Line 11.
- Federal Form **1040A** filers: This amount is on Line 35.
- Federal Form **1040** filers: This amount is on Line 57, minus the amount from Form 4972, which is on Line 44.

Optional deduction – The federal tax deduction above may be increased by the amount of foreign tax credit claimed on Federal Form 1040, Line 47. If this additional deduction is claimed, no special allowable credit may be claimed on Louisiana Nonrefundable Tax Credits, Schedule G, Line 4.

Line 9 – Subtract Line 8 from Line 7, and print the result. If less than zero, print "0."

Line 10 – Turn to the tax table that corresponds with your filing status. Locate the amount of your tax table income from Line 9 in the first two columns of the tax table. Read across to the column numbered the same as the total number of exemptions claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. Print this amount on Line 10 of the return. If you have more than 8 exemptions, refer to the instructions at the top of the tax tables.

Line 11 – Federal Child Care Credit – If you have claimed a Federal Child Care Credit on either Federal Form 1040A, Line 29 or on Federal Form 1040, Line 48, print the amount.

Line 11A – Print the amount of the total Other Nonrefundable Tax Credits. This amount is from Louisiana Form IT-540, Schedule G, Line 11.

Line 11B – Print the amount of your Louisiana Nonrefundable Child Care Credit carried forward from previous years. **To determine the carry forward amount, refer to the Louisiana Nonrefundable Child Care Credit Worksheet on page 21.**

Line 11C – Print the amount of your 2006 Louisiana Nonrefundable Child Care Credit. This amount is determined from the Louisiana Child Care Credit Worksheet on page 21. **Your Federal AGI must be greater than \$25,000 to claim this credit.**

Line 11D – Add Lines 11A, 11B, and 11C and print the result.

Line 12 – Subtract Line 11D from Line 10 and print the result. If you are not required to file a federal return, but had Louisiana income tax withheld in 2006, do the following: (A) complete Lines 1 through 6D, (B) you must enter all wages and income, even though you may not be required to file a federal return, in the appropriate boxes above Line 7, and (C) mark the indicator block to the right. **IMPORTANT!** You must print all wages and income in the boxes above Line 7. Failure to do so will result in processing delays. Then, (D) skip to Line 12, and print zero "0," and complete the remainder of the return.

Consumer Use Tax Worksheet

Under Louisiana Revised Statute 47:302(K), the Department is required to collect a use tax rate of 8 percent on out-of-state use taxable purchases. This 8 percent rate (which includes 4 percent to be distributed by the Department to local governments) is in lieu of the actual rate in effect in your area, and is payable regardless of whether the actual combined state and local rate in your area is equal to, higher than, or lower than 8 percent.

This law ensures that Louisiana businesses are not at a competitive disadvantage with out-of-state companies who are not required to collect sales tax.

1. Taxable purchases	\$	_____	.00
Tax rate (8%)		_____	X .08
2. Total use tax due	\$	_____	.00

Instructions for Federal Income Tax Deduction Computation Worksheet

Federal Disaster Relief Credits

Louisiana provides a deduction (from Louisiana income) for federal income taxes paid on Louisiana income. Generally, when the federal income tax liability is decreased by federal credits, the amount of Louisiana income tax liability increases. To prevent Louisiana taxpayers from paying additional state income tax because they received federal disaster relief credits, you may increase the amount of your Louisiana federal income tax deduction by the amount of certain federal disaster relief tax credits claimed on your 2006 federal income tax form. The modification to the Louisiana federal income tax deduction **can only be for federal disaster relief credits claimed in either the Hurricane Katrina or Hurricane Rita Disaster Areas**. The Louisiana Secretary of Revenue has, through Louisiana Administrative Code (LAC) 61:I.601, determined which federal credits are disaster relief credits. Below are the federal credits that have been established to be federal disaster relief credits:

1. Employee Retention Credit
2. Work Opportunity Credit
3. Rehabilitation Tax Credit
4. Hope Scholarship and Lifetime Learning Credits
5. Employer-Provided Housing Credit
6. Low Income Housing Credit
7. New Markets Tax Credit

You must review LAC 61:I.601 for complete information about the federal credits. LAC 61:I.601 can be found on the Department's website at www.revenue.louisiana.gov.

Consult your tax advisor or contact the IRS for complete information concerning the federal credits. You must attach a copy of the appropriate federal form(s) to your return in order for your modified Louisiana federal income tax deduction to be allowed.

If you have claimed only federal disaster relief credits and not taken a casualty loss on the Federal Income Tax Deduction Computation Worksheet, do the following: (A) print the amount of your federal income tax from Federal Form 1040, Line 57 on Line 10B of the worksheet, (B) print the amount of federal disaster relief credits on Line 11 of the worksheet, (C) add Lines 10B and 11 of the Federal Income Tax Deduction Computation Worksheet and print the result on Line 12 of the worksheet, (D) print the amount from Line 12 on Form IT-540, Line 8, and (E) print the amount from Line 11 on the worksheet to Louisiana Schedule H, Line 7.

If you are claiming disaster relief credits along with a casualty loss, complete the entire Federal Income Tax Deduction Computation Worksheet.

Casualty Loss

Casualty Loss

Act 25 of the First Extraordinary Louisiana Legislative Session of 2006 expanded the casualty loss relief to include all incurred federal casualty losses. If you have claimed a casualty loss on your 2006 Federal Form 1040, you may increase the amount of your federal income tax deduction by the amount that your federal income tax decreased as a result of claiming your casualty loss. To compute your modified Louisiana federal income tax deduction, you will need to complete the Federal Income Tax Deduction Computation Worksheet on page 18 and have the following items: A copy of your Federal Form 1040 (pages 1 & 2), Schedule A (Federal Form 1040), and Federal Form 4684. You must attach these federal forms to your return. You will also need your Federal Form 1040 instruction booklet and accompanying federal tax tables or computation worksheet. Please see Revenue Information Bulletin 06-018.

The information for Lines 1A through 10A of the Federal Income Tax Deduction Computation Worksheet come from the specified line items of Federal Form 1040. For Lines 1B through 10B, follow the computation instructions for each line item. Several line items of the Federal Income Tax Deduction Computation Worksheet require you to enter that line item amount on Louisiana Schedule H. These line items are denoted in bold print on the Federal Income Tax Deduction Computation Worksheet. Failure to complete Louisiana Schedule H will significantly delay the processing of your return.

Important: In order to compute Line 2B, your Adjusted Itemized Deductions, subtract the amount of your total casualty loss [Line 19 and/or Line 27 of your 2006 Schedule A (Form 1040)] from total itemized deductions [Line 28 of your 2006 Schedule A (Form 1040)] as indicated on the 2006 Federal Income Tax Computation Worksheet.

If the amount of your Adjusted Itemized Deductions is **LESS THAN** your federal standard deduction, print your federal standard deduction on Line 2B of the Federal Income Tax Deduction Computation Worksheet. Information on how to compute your federal standard deduction can be found on page 2 of Federal Form 1040 in the left margin.

If the amount of your Adjusted Itemized Deductions is **GREATER THAN** your federal standard deduction, print the amount of your Adjusted Itemized Deductions on Line 2B.

For Lines 3B through 5B, either print the requested amounts from Federal Form 1040 or perform the appropriate calculations.

To recompute your federal income tax for Line 6B, use the amount from Line 5B and refer to the instructions on Line 44 of the Federal Form 1040. Enter the recomputed amount on Line 6B.

For Line 7A, print the amount from Federal Form 1040 Line 45. **Note for Line 7B,** it is possible for the Alternative Minimum Tax (AMT) to change when excluding the casualty loss from federal taxable income. Print the recomputed amount of AMT on Line 7B, if applicable.

For Lines 8B through 10B, either print the requested amounts from Federal Form 1040 or perform the appropriate calculations.

For Line 11, if you have federal disaster relief credits in addition to claiming casualty losses, see the information concerning disaster relief credits and print the amount of federal disaster relief credits on the Federal Income Tax Deduction Computation Worksheet Line 11. If you do not have any disaster relief credits, print zero "0," on Line 11.

For Line 12, add Lines 10B and 11 and print the amount on Form IT-540, Line 8. The amount on Line 12 of the worksheet may be increased by the amount of foreign tax credit claimed on Federal Form 1040, Line 47. If this additional deduction is claimed, no special allowable credit may be claimed on Louisiana Nonrefundable Tax Credits, Schedule G, Line 4.

2006 Louisiana Refundable Child Care Credit Instructions

R.S. 47:297.4 allows a Louisiana child care credit to be claimed against your Louisiana individual income tax should you meet certain guidelines.

For taxpayers whose federal adjusted gross income (AGI) is \$25,000 or less, the law provides for a refundable state tax credit whether or not the taxpayer has filed for and claimed a federal child care credit. In order to claim the Louisiana Refundable Child Care Credit, the taxpayer must comply with the same law and rules of Internal Revenue Code Section 21 for the 2006 taxable year. This Internal Revenue Code section governs the federal child care credit. Use Lines 1 through 11 of the Louisiana Refundable Child Care Credit Worksheet on page 20 to compute your refundable credit.

For those taxpayers whose AGI is greater than \$25,000, the law allows for a certain percentage of the claimed federal child care credit to be used as a nonrefundable credit against one's Louisiana income tax liability. A nonrefundable credit can be carried forward for 5 years if you are unable to claim it in the year in which it is earned. Use Lines 1 through 18 of the 2006 Louisiana Nonrefundable Child Care Credit Worksheet on page 21 to compute your 2006 nonrefundable credit, and to appropriately claim any carry forward you may have from previous years.

Refundable Child Care Credit Instructions and Definitions

1. Your federal adjusted gross income must be \$25,000 or less to claim a Louisiana refundable child care credit. If you did not file and claim a federal child care credit, you may still file for, and receive, a refundable Louisiana Child Care Credit, if you meet the criteria. In order to qualify for the Louisiana credit, you must meet the **same tests** for earned income, qualifying dependents, and qualifying expenses as required by the IRS for the federal child care credit.
2. In order to claim your Louisiana Child Care Credit, you must meet the following requirements:
 - A. Your filing status must be one of the following: single, head of household, qualifying widow(er) or, married filing jointly. See Line 3 below for information on married filing separately.
 - B. The care was provided to your dependent child to allow you (and your spouse if married filing jointly) to work or look for work. If you did not find a job and have no earned income for the year, you cannot claim the credit.
 - C. The qualifying child must be under the age of 13.
 - D. The person who provided the care cannot be your spouse, the parent of the qualifying child under age 13, or a person whom you can claim as a dependent. If your child provided the care, he or she must have been age 19 or older by the end of 2006.
3. If your filing status is married filing separately and all of the following apply, you are considered unmarried for purposes of figuring the credit: (A) you lived apart from your spouse during the last 6 months of 2006. (B) your qualifying dependent child lived in your home more than half of 2006, and (C) you provided over half the cost of keeping up your home. If you meet all the requirements to be treated as unmarried and meet items "B," "C," and "D" listed in Line 2 above, you can take the credit.

4. Definitions:

Qualifying Child: A qualifying child must be under the age of 13 and can be claimed as a dependent on your return. If the child turned 13 during the year, the child is a qualifying person for the part of the year he or she was under age 13.

Qualified Expenses: These include amounts paid for household services and care of the qualifying person while you worked or looked for work. Child support payments are not qualified expenses. Also, expenses reimbursed by a state social service agency are not qualified expenses unless you included the reimbursement in your income. Prepaid expenses are treated as paid in the year the care is provided. Do not include the following as qualified expenses for 2006: (A) expenses you incurred in 2006 but did not pay until 2007, (B) expenses you incurred in 2005 but did not pay until 2006, or (C) an expense you prepaid in 2006 for care to be provided in 2007.

Dependent Care Benefits: These include amounts your employer paid directly to either you or your care provider for the care of your qualifying child while you worked. Your salary may have been reduced to pay for these benefits. If you received dependent care benefits, they should be shown on your 2006 Form(s) W-2 in box 10.

Earned Income: Earned income includes wages, salaries, tips, other taxable employee compensation, and net earnings from self-employment. A net loss from self employment reduces earned income. Earned income also includes strike benefits and any disability pay you report as wages. Earned income also includes nontaxable employee compensation such as parsonage allowances, meals and lodging furnished for the convenience of the employer, voluntary salary deferrals (such as deferrals under a nonqualified deferred compensation plan reported on Form W-2 in box 12 with code Y), military basic quarters, and military pay earned in a combat zone. Earned income does not include: pensions and annuities, social security payments, workers' compensation, interest, dividends, or unemployment compensation. Please see IRS Publication 503 for further clarification on earned income.

For additional definitions, details, and information, please see the Internal Revenue Service's Publication 503.

Interest and Penalty Calculation Worksheets

In general, you will be charged interest and penalties if you do not pay all amounts due on or before May 15, 2007. If the return is for a fiscal year, you will be charged interest and penalties if you do not pay on or before the 15th day, of the 5th month after the close of the taxable year.

Important: The granting of an extension DOES NOT relieve you of your obligation to pay all tax amounts due by the due date.

Interest – If your 2006 calendar year income tax amount is not paid by May 15, 2007, you may be charged interest on tax obligations that have not become final and nonappealable through December 31, 2007. Because the interest rate varies from year to year and is not determined until the latter part of 2006, the Department is unable to provide a specific rate at the time of printing. Please see Revenue Information Bulletin (RIB) 07-001 for the 2006 interest rate. The RIB is available on the Department's website at www.revenue.louisiana.gov. In order to compute the INTEREST RATE PER DAY, divide the 2006 interest rate by 365 and carry out to seven places to the right of the decimal. Example: Assume the 2006 interest rate is determined to be 17% (0.17) per annum. Divide 0.17 by 365. $0.17/365 = .0004657$, which equals the INTEREST RATE PER DAY. NOTE!! You must carry out your computation to 7 places to the right of the decimal point.

2	Interest rate per day (See instructions above.)	0. _____
3	Interest rate (Multiply Line 1 by Line 2.)	
4	Amount you owe (Form IT-540, Line 20)	.00
5	Total interest due (Multiply Line 4 by Line 3, and print the result on Form IT-540, Line 22.)	.00

Important Notice: The sum of BOTH the delinquent filing and delinquent payment penalties cannot exceed 25 percent (.25) of the tax due. Thirty (30) day increments are used for the calculation of the delinquent filing and delinquent payment penalties. These penalties are based on the date the Department receives the return and/or payment, not the date the envelope is postmarked.

Delinquent Filing Penalty – A delinquent filing penalty will be charged for failure to file a timely return (on or before May 15, 2007). A penalty of 5 percent (.05) of the tax due accrues if the delay in filing is not more than 30 days. An additional 5 percent (.05) is assessed **for each additional 30 days, or fraction thereof**, during which the failure to file continues. By law, the maximum delinquent filing penalty that can be imposed is 25 percent (.25) of the tax due.

Delinquent Filing Penalty Calculation Worksheet

4	30-day penalty percentage	.05
5	Total penalty percentage (Multiply Line 3 by Line 4. The result cannot exceed 25 percent [.25].)	
6	Amount you owe (Form IT-540, Line 20.)	.00
7	Total amount of delinquent filing penalty due (Multiply Line 6 by Line 5 and print the result on Form IT-540, Line 23.)	.00

Delinquent Payment Penalty – If you fail to pay 90 percent (.90) of the tax due by the due date (May 15, 2007), a delinquent payment penalty will be assessed. A penalty of 0.5 percent (.005) of the tax not paid by the due date will accrue **for each 30 days, or fraction thereof**, during which the failure to pay continues. This penalty cannot exceed 25 percent (.25) of the tax due.

To determine if you owe a delinquent payment penalty, answer the following questions:

- Are you paying a 2006 tax liability after May 15, 2007?
- Have you paid at least 90 percent (.90) of total tax due?
 - Print the amount from Form IT-540, Line 14. _____ .00
 - Print the amount from Form IT-540, Line 15A. _____ .00
 - Print the amount from Form IT-540, Line 15B. _____ .00
 - Subtract Lines "b" and "c" from Line "a" above. _____ .00
 - Multiply Line "d" by 10 percent (.10). _____ .00
 - Print the amount from Form IT-540, Line 20. _____ .00

If the amount on Line "f" is **less** than or equal to the amount on Line "e," you **have paid** at least 90 percent (.90) of the total tax due. If the amount on Line "f" is **greater** than the amount on Line "e," you **have not** paid at least 90 percent (.90) of the total tax due.

If you are paying a 2006 tax liability after May 15, 2007, **AND have not** paid at least 90 percent (.90) of the total tax due, then you owe the delinquent payment penalty. Use the worksheet below to calculate that penalty.

7	Total amount of Delinquent Payment Penalty (Multiply Line 6 by Line 5 and print the result on Form IT-540, Line 24.)	.00

Underpayment Penalty – You may be charged an underpayment penalty if: (A) your tax deficiency is greater than \$1,000; and (B) your filing status is either single, married filing separately, head of household, or qualifying widow(er). If your filing status is married filing jointly, you may be charged an underpayment penalty if your tax deficiency is greater than \$2,000. In order to determine if an underpayment penalty is due and to compute the amount of the underpayment penalty, you must obtain Form R-210R, Resident Underpayment Penalty Return.

2006 LOUISIANA TAX TABLE - SINGLE OR MARRIED FILING SEPARATELY (Filing Status Box 1 or 3)

To determine your Louisiana tax, locate the amount of your tax table income (Line 9 of Form IT-540) in the first two columns. Read across to the column with the same number as the total number of exemptions claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$4,500 combined personal exemption-standard deduction and \$1,000 for each exemption over one have been used in determining the tax shown in this table.

2006 LOUISIANA TAX TABLE- SINGLE OR MARRIED FILING SEPARATELY (Filing Status Box 1 or 3)

To determine your Louisiana tax, locate the amount of your tax table income (Line 9 of Form IT-540) in the first two columns. Read across to the column with the same number as the total number of exemptions you claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$4,500 combined personal exemption-standard deduction and \$1,000 for each exemption over one have been used in determining the tax shown in this table.

To determine your Louisiana tax, locate the amount of your tax table income (Line 9 of Form IT-540) in the first two columns. Read across to the column with the same number as the total number of exemptions you claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$9,000 combined personal exemption-standard deduction and \$1,000 for each exemption over two have been used in determining the tax shown in this table.

2006 LOUISIANA TAX TABLE- MARRIED FILING JOINTLY OR QUALIFYING WIDOW(ER) (Filing Status Box 2 or 5)

To determine your Louisiana tax, locate the amount of your tax table income (Line 9 of Form IT-540) in the first two columns. Read across to the column with the same number as the total number of exemptions you claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$9,000 combined personal exemption-standard deduction and \$1,000 for each exemption over two have been used in determining the tax shown in this table.

2006 LOUISIANA TAX TABLE- MARRIED FILING JOINTLY OR QUALIFYING WIDOW(ER) (Filing Status Box 2 or 5)

To determine your Louisiana tax, locate the amount of your tax table income (Line 9 of Form IT-540) in the first two columns. Read across to the column with the same number as the total number of exemptions you claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$9,000 combined personal exemption-standard deduction and \$1,000 for each exemption over two have been used in determining the tax shown in this table.

2006 LOUISIANA TAX TABLE- HEAD OF HOUSEHOLD (Filing Status Box 4)

To determine your Louisiana tax, locate the amount of your tax table income (Line 9 of Form IT-540) in the first two columns. Read across to the column with the same number as the total number of exemptions you claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$9,000 combined personal exemption-standard deduction and \$1,000 for each exemption over one have been used in determining the tax shown in this table.

2006 LOUISIANA TAX TABLE- HEAD OF HOUSEHOLD (Filing Status Box 4)

To determine your Louisiana tax, locate the amount of your tax table income (Line 9 of Form IT-540) in the first two columns. Read across to the column with the same number as the total number of exemptions you claimed on Line 6D. The amount shown in that column is your Louisiana tax liability. If your total number of exemptions exceeds eight, reduce your tax table income by \$1,000 for each exemption over eight. Locate this reduced amount in the first two columns and read across to the column numbered eight. The \$9,000 combined personal exemption-standard deduction and \$1,000 for each exemption over one have been used in determining the tax shown in this table.

Important notice: Louisiana recognizes and accepts the federal extension (Federal Form 4868). For most taxpayers, the Federal Form 4868 will extend the time to file until October 15, 2007. You do not need a separate extension for filing your state return, unless you wish to file it after October 15, 2007. By completing and submitting the form below, you can extend the date to file your Louisiana return to November 15, 2007.

You must submit this form by October 15, 2007, if you have an approved federal extension or by May 15, 2007, if you have not filed a federal extension.

For fiscal year filers, please indicate your fiscal period below. The due date for fiscal filers is the 15th day of the 5th month after the close of the fiscal year. By completing this extension request, you are requesting a 6-month extension to file past the due date.
